Standard

## Features:

The versatile Winger offers you the advantage of a sleek, smart and reliable performer that is environment-friendly.

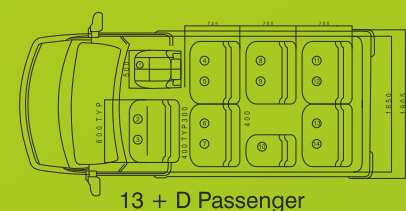

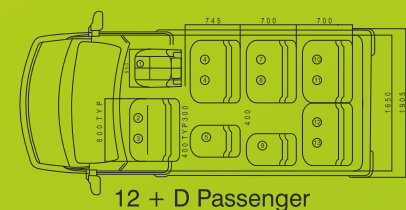

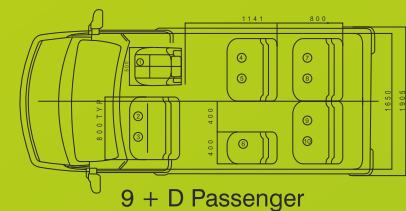

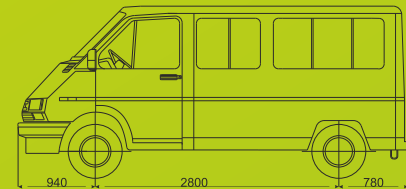

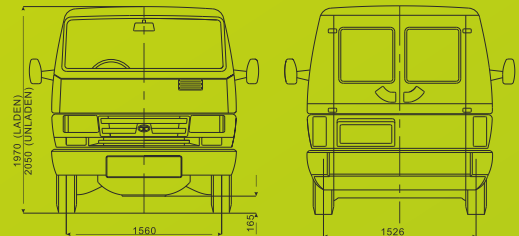

- Most spacious vehicle for its size
- All front facing seats
- Front independent suspension, anti-roll bars with hydraulic shock absorbers ensure a smooth and relaxing travel experience
- Monocoque light weight body construction ensures low NVH
- Power steering and easy gear shift for car-like feel
- High stability due to low centre of gravity
- High manoeuvrability due to short turning circle radius
